MIDIBAY EDGE PRO 2

Pushing Luminaire Development to the Edge

Pushing Luminaire Development to the Edge

Efficient and **Versatile**

Introducing the Midibay Edge Pro 2, the premier choice for warehouse and industrial lighting. Renowned for its cutting-edge technology, efficiency, and reliability, this product is back in stock and ready to revolutionize your lighting setup.

Expertly crafted to set new standards in lighting technology, the Midibay Edge Pro 2 features dual rows of premium Samsung LEDs, delivering an impressive 155 lumens per watt. This series is engineered to maximize energy efficiency without sacrificing light quality. With integrated Cable Ways, the luminaire is fully compatible with smart controls, DALI, emergency functions, and sensors, offering unmatched versatility.

D90 Photometry: Guarantees comfortable, high-quality lighting for any application.

And enhance your environment's lighting comfort even more with our optional 90° prismatic refractor, which ensures even light distribution and reduces glare for a more pleasant and productive atmosphere.

Part No.	Watts	Description	Beam	Efficacy	Lumens	Ra/CCT
IND226	100W	Midibay Edge - Pro, 850	120°	155	17050	850
IND227	135W	Midibay Edge - Pro, 850	120°	155	22630	850
IND228	168W	Midibay Edge - Pro, 850	120°	155	27280	850

[View Full Specification Information Here](#)

+ Distribution	
-D90	90° Prismatic Optic
-DC	Diffuser Coated
+ Sensor	
-SH	Sensor High Level (Up to 20m Detection Height)
-SL	Sensor Low Level (Up to 8m Detection Height)
-SB	PIR Switching Sensor (Up to 12m Detection Height)
+ Sensor	
ACS153	Programming Remote for SB Sensor
ACS067	Programming Remote for SH / SL Sensor versions
ACS030	Commissioning Remote for SH / SL Sensor versions
ACS194	Midibay Edge Pro 2 Wireguard

Ground lux improved by up to 25%.

Enhance your environment's lighting comfort with our optional 90° prismatic refractor, ensuring even light distribution and reduced glare for a more pleasant and productive atmosphere.

Trunking mount bracket included for ease of installation.

Samsung LEDs achieving 155Lm/W.

Multiple diffuser options.

Optional wireguard (ACS194) available.
